STORIES OF THE HEART!

Homeland Hospice is proud to celebrate 15 years of providing exceptional quality care to the communities we serve throughout Central PA.

We are extremely grateful for the generous support of individuals, like yourself, and organizations, as well as to the thousands of families who have trusted us and welcomed us into their homes, their hospital rooms ... and their hearts.

We invite you to join us as we celebrate the enormous impact on those with whom we have been privileged to uplift and serve **by sponsoring a person or group to decorate a large heart-shaped canvas.**

All Hearts will be exhibited at our 15th anniversary event, **History, Heart & Honor, on November 23rd** at the Scottish Rite Theatre, and include a special plaque recognizing your generous contribution, as well as the name of the artist or group who decorates the heart.

All proceeds support benevolent care and the additional services provided to our patients and their families.
